Welcome to SAMSEM.org, the UN-replacer for My3BillionKids.

King Charles, Kate Middleton, Henry of Sussex,

This is the First SAMSEM letter, for the Outsmart of the Rotting AI-robot / Warzone Worldwar3.

Now we are being absorbed & eaten by Always Lying ICT systems, its time to Reset the Way we Communicate, back to the 80-ties.

I will Publish this letter on www.samsem.org

All Kids need a SAMSEM website in their Homeland; made on a webhoster that does not work with Creditcards.

All Kids must communicate by Open Letter... so AI-robot is put in the waitingroom. Especially 'when we add words from the Dutch Language to our PDFs'.

Politic – Business – Legal reality have changed in January 2023.

**FBI and USA government do accept the
Win all Lawsuits procedure.**

Meaning:

They want to stop the International Criminal Court corruption.

**Kingdom Netherlands has not accepted this
New Legal frame on Earth in Space.**

ICC-InterimPrimeMinister
DesireeStokkel takes over 100%
power from Japan-Russia-
NorthKorea-Iran-23oct2017.

ICC-UNSG-2018-IPM-
Desireestokkel-RU-JP-IR-NK-Cuba-
29dec2017.

IPM DesireeStokkel takes over
Power from Downingstreet10 on
3april2018. Brexit illegal.
ICC.Nato.Queen.lawsuit.

Time to go to work;

Being the InterimPrimeMinister at 10 Downingstreet, since 3 april 2018.

Now ElonMusk – SpaceX – ignores the Win all Lawsuits procedure... it is 100% clear that the XAI robot by Musk is a Criminal System.

He wants to outsmart all other AI-robots in the Universe.

(This is a Drop-Death-Moment.... My3billionKids.)

Bloemendaal, the village where I residence... refuses to stop the International Criminal Court lawsuit I started against them, on May2007.

They are an Official Party to the conflict.

Refuse to stop the ICC corruption / Worldwar3 by recognizing my attempt to Install RepublicNL and a fair Cleanup system for warzone.

I tried to make the Financial Police stop all the Parliament - King - Court corruption in NL; they refused to do so. The Warlords Top Manager got another Job in the Government system.

This FIOD letter is a Good Startingpoint for Cleanup Warlords.

I did not know in 2018 `that the United Nations & Co planned to start a Depopulation war in October2019. Called; SARScov2 / Covid19.

I always assumed `that my Courtfile at IntlCrimCourt was being misused for Private Corruption / raking money by all connected to www.rijksoverheid.nl.
And, www.un.org & co.

**2023: We are in Worldwar 3. Kingdom Netherlands hides all DATA.
Keeps the war going. as long as `one can imagine`.**

- Ministerie Binnenlandse Zaken / HomeAffairs
- Ministerie Justitie & Veiligheid / Justice Department
- Ministerie Defensie / More Genocide Holiday Camp
are the 3 Key Departments , which do not want to stop Worldwar 3.

<https://www.noord-holland.nl/>

Bloemendaal and Province / District parliament Noord-Holland in Haarlem plan to have the Cities Bombed by Ukraine , or any other Psychopatic United Nations linked system.

They must be forced to Stop the War; they are indifferent to the damage that will be in the Netherlands – Europe – Great Britain... when WAR expands.

How to stop Kingdom Netherlands from destroying Earth?

I am the Legally most powerful Human Being on Earth in Space.

But, UK – as Something Lawless on UN command – does not Own the Legal position the Country needs for Stop Worldwar 3.

**How to obtain this Legal Frame,
knowing that Kingdom NL refuses to stop War?**

'Thank God we have RepublicNL, since 18november2016'.

The impact of this New Legal System & Economy is Too Intelligent for Rijksoverheid & Staten-generaal... but many other nations have accepted it.

Thus, King Charles...

'It would be a wise move to make me the Official

Extra Mother to your Son , Henry of Sussex.

By doing so... you will obtain direct Legal Power at

www.bloemendaal.nl and www.noord-holland.nl

now I residence in Bloemendaal.

Safety matters for your family; you can force them to stop worldwar

3 / close the ICClawsuit with a Letter of Apology & Damagepayment

to:

Désirée Elisabeth Stokkel
Donkerelaan 39
2061 Jk Bloemendaal
Netherlands.

Once , we have signatred Your Document of

Buckinghampalace & 10 Downingstreet, in which you

appoint me as InterimPrimeMinister UK – per 3 april 2018 -

and the Extra Mother for Henry... you are Half-way.

To complete the Parcours , you must pay me for the Damage

you caused me = constructing Dictatorship NL and setting ICC

free to construct & conduct Worldwar 3... anchored in My

Private Courtfile... of My Family.

I can Live & Work – from www.samsem.org – anyware on Earth.

I'd like to residence in UK, but in a small city.

Also want to behave and move about 'as a normal person'.

We are on a Short timeline.
ElonMusk is starting his Warlords' XAI
'to rake a 100 Trillion Dollar with'
= theft in ICC – UN – ITU + corruption.
Mangement by Bullying.

**We must assume that Billions of Humans will be killed
with Wifi 0 RF / EMR in 5G ... begin 2025...
on our Earths' Calendar.**

**SpaceX / Starlink operates above the Law, anchored in the
Narcistic brain of ElonMusk.**

Mankind must suffer.. because Musk wants us to Soffer for his Greater
Good.

**You are the King , in a Legal position to Pass all rot at
10downingstreet & Government UK / Commonwealth.**

**Legally obliged by Win all Lawsuits procedure
www.rechtenpit.nl**

I am in the Evolution of Wisdom, for Evolution of Evolution.

Would be 'wise to participate in this movement'.

**I have learned to accept is, with Spaceforces being the Ruler in
My Life and that of persons connected to Me.**

'Yours Faithfully,

Désirée Elisabeth Stokkel'.

I don't add my signature = to private.

What next?

There is something wrong with the Communication possibilities by Government UK and the People.

You work with Contact forms on Website, but is is impossible to add files.

Which is very immature & evil on behalf of UK.

When my printer is willing to work, I shall send this letter by Post.nl
You will receive it Wednesday 7 june2023... it things go well.

I shall address you on Twitter and give you the link to this letter
on www.samsem.org
